DIARY NO. 5032

From

K. MATTHAN, Esq., B. A.,
Director of Civil Supplies in Mysore.

12-19
M 5079
M 90

6092

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

I have the honour to state that some broken rice imported out of the April allotment at Rs.11-12-0 per bag of 205 lbs is found to contain weevils owing to long storage in the Provincial Depot. I suggested to the Honorary President that it should be issued after cleaning. In his D.O. No.81 of the 6th instant (copy enclosed) the President has intimated that the cost of cleaning would be about Rs.4-8-0 per ton. This will amount to a little above 7 annas a bag, but in the whole transaction no appreciable loss is likely to be caused by selling the broken rice at 7 seers a rupee. I have, therefore, requested the President to issue this broken rice only after cleaning. I request that the action taken by me may be approved.

2. This is the rice for which a reduction was made in the import price, (Vide your No. G. 1195 P.P. 134-18-663 of the 15th July 1919)

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.

D.O. letter No.81 dated the 6th September 1919, from the Hondrary President, City Municipal Council, Bangalore, to the Food Controller & Director of Civil Supplies in Mysore.

With reference to your D.O. letter No.3914 dated 23rd August 1919, I learn that the cleaning of broken rice containing weevils etc., will cost Rs 2 for 3 tons and that the wastage for 3 tons will be nearly 200 lbs. or one bag. The loss per ton will this be about Rs 4-8-0. This may be allowed and the broken rice sold at 7 seers a rupee as usual.

As the price of ragi is going up, there will be a great demand for broken rice and I request that more broken rice be issued than at present. Very early instructions in the matter are awaited.

Copy.
